Systems Engineer with more than 15 years of experience implementing IT Solutions searching for new professional challenges. I have master studies oriented to management of information systems offices. Highly skilled in analysis, design and applications development. Database administrator and virtualization administrator. Experienced in IT project management. DevOps and Agile practitioner. Enthusiastic, self-learner, proactive, result oriented professional.

Experience

- 2020-hoy **Everis Perú SAC** Trujillo, Peru
Centers Expert Specialist
Migration of .Net applications from Win2002x86 to Win2016x64bit servers.
Application development with Material Angular, Asp Net Core Web Api Rest, MVC Net Core.
Development of Shell scripts, Perl scripts and Java 8 apps for process automation using APIs from Cadence, kibana, jBPM, Jira.
I led the project teams: SWCurrency of Alitalia , Covid and Salary Review of Acciona, Squad Operaciones N2 of MasMovil.
- 2018-2020 **Everis Perú SAC** Trujillo, Peru
Centers Leader Specialist
Development and maintenance of Oracle Forms & Reports applications.
I led the project teams: MODTIEESS of Peruvian Repsol – Phase II, Everilion Loyalty Module of Peruvian BBVA, Tributes of the Community of Madrid.
- 2017-2018 **Everis Perú SAC** Trujillo, Peru
Centers Senior Developer
Maintenance of the POS terminal developed in VB6.
Maintenance to legacy ERP developed with asp.
Development of web forms in asp.net with Ms Sql Server database.
ETL development with Microsoft Integration Services.
I led the project teams: MODTIEESS of Peruvian Repsol – Phase I, Everilion Loyalty Module of Peruvian BBVA.
- 2012-2016 **Antenor Orrego Private University** Trujillo, Peru
IS Coordinator and Database Administrator
Member of the project and product quality assurance team.
Relevant achievements:
 - We achieved CMMI-Dev level2 and IT-Mark Basic for OSIE office.
 - I improved Systems Development processes using MS TFS and Scrum.
 - I managed the incidents, improved the average solution time from 1w to 2d.
 - I led the project teams: BSC (GI's, Balance Score Card), BPM (documentary procedure), CRM (prospects, graduates), Finance (accounting, current accounts, budgets) and Academics (Admission, enrollment, score, research, library) projects.
- 2011-2012 **Antenor Orrego Private University** Trujillo, Peru
Database Administrator
Perform database administration, Google Apps, App and virtualization servers.
I participated in code per reviews and deploy execution.
Relevant achievements:
 - Migration from Clarion to VNX and Oracle Database from Windows to RHEL.
 - Consolidation, virtualization, and administration of 60 servers.
 - I participated in the preparation of the Data Center Contingency and Continuity Plan, Backup and Recovery Policy.
 - I implemented personal data protection standard recommendations.
 - I setup and deployed automatic monitoring of servers and services.
- 2008-2010 **Cesar Vallejo University** Trujillo, Peru
Systems Analyst
I performed server administration and worked closely with the developers to design, verify and deploy. Relevant achievements:
 - I established application, data and integration architecture.
 - Migration of academic and financial data of 100k students.
 - Integration with People Soft using Web Services.
 - Integration with Google Apps and Webex using APIs.
- 2003-2007 **Lord of Sipan University** Chiclayo, Peru
Developer Team Leader
As leader of the development leader:
 - I established the guidelines for applications development with vb6, asp.net and MS SQL Server.
 - I administered the Ms Sql Server Database.
 - I managed and solved incidents.
 - I patented the developed applications (INDECOPI reg. number 00254-2008).

Education

2012-2014	Master in Systems Engineering [Grade] with mention in Management of Information Systems	Northern Private University
2011-2012	Diploma in Business Process Management	Northern Private University
2010-2011	Diploma in Information Security and Information Systems Audit	Northern Private University
2010-2010	Diploma in Information Technology Management for Competitiveness	Northern Private University
1997-2002	Bach in Systems Engineering [Qualified]	Pedro Ruiz Gallo National University

Certifications

2021	MCP – Azure Developer Associate	Microsoft
2021	MCP – Azure Fundamentals	Microsoft
2019	Certified Scrum with Kanban I	Scrum.org
2013	Certified Scrum Master and Scrum Developer	Scrum.org
2011	Certified ITIL v3	EXIN
2007	MCPD – Enterprise Application Developer	Microsoft
2007	MCTS – SQL Server 2005	Microsoft
2006-2007	MCTS - .Net Framework 2.0: Windows, Web and Distributed Applications	Microsoft

Trainings

2020	Professional Scrum Master II	CeaSoft
2019	Professional Agile Leadership - Essentials	Discovery Fast
2019	Professional Scrum with Kanban I	Discovery Fast
2019	CCNA CyberOps	Universidad Católica San Pablo
2016	DSPACE Administrator Level	Bibliolatino
2016	SAP Overview	TEMIX Consulting
2014	Professional Scrum Foundation and Developer	3dev Business & Consulting SAC
2014	Business Innovation: BPM	Grupo Ascenda
2013	Ethical Hacking	Cibertec
2013	Introduction to CMMI for Development	Process Consulting/ESI
2012	Performance Management	Universidad Privada del Norte
2012	Programming a Robotic Car	Udacity
2012	Introduction to Computer Science Building a Search Engine	Udacity
2011	HTML 5 Essentials	TI Capacitación
2011	Project Management – PMBOK	Universidad Privada Antenor Orrego
2011	Interoperability and Interinstitutional Public Processes	OEA
2011	Information Technology Infrastructure Library Foundation v3	ITERA
2011	Software Testing Workshop	ACKLIS SAC y Quasar Process
2011	Computer forensics	Central de Investigación y Formación Forense
2010	Use of GIS Technology in the Cadastre	OEA
2010	Regulatory Aspects of Electronic Government	OEA
2009	Oracle Database 10G	Universidad Privada del Norte
2009	Web Application Development – Java Mobile	Universidad Privada del Norte
2008	Java Developer	Universidad Privada del Norte
2008	Introduction to the Formulation of Electronic Government Strategies	OEA
2008	Process Design according to ISO-9001	Universidad Cesar Vallejo SAC
2007-2008	Cisco CCNA 1,2,3,4	Universidad Señor de Sipán SAC/Instituto Leonardo DaVinci
